## **PROFIT WARNING**

The Board wishes to inform Shareholders and potential investors that the Group is expected to record a net profit after tax for the six month period ending on 30 June 2021 that is between 20% and 25% lower than the net profit after tax for the six month period ending on 30 June 2020.

### **1. Profit Warning**

This announcement is made pursuant to Rule 13.09(2)(a) of the Listing Rules and Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance.

The Covid-19 pandemic and consequent global travel restrictions which continued into 2021 have had a material adverse impact on many airlines, including certain of the Group's customers. As a result, the Board expects that the Group will incur provisions for doubtful debts and impairment charges for the six month period ending on 30 June 2021 that will result in the net profit after tax for that period being between 20% and 25% lower than the net profit after tax for the six month period ending on 30 June 2020.
